## **Face Mask Policy 2020-2021**

In accordance with Arizona Governor's Executive Order 2020-51, Mohave Accelerated Schools will require face masks or face shields to all students over the age of 5, unless social distancing of 6 feet can be obtained. This shall apply to all staff and visitors on campus at all times. Face covering breaks will be provided for students in a safe environment.

Exceptions will be honored as outlined by the Center for Disease Control.

Cloth coverings should not be worn by children under the age of 2 or anyone who has trouble breathing, is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.

All face coverings must be school appropriate. This determination will be made final by an administrator.

This policy will remain in effect until the Arizona Department of Health determines that face coverings are no longer necessary or recommended to contain the spread of the virus.
