On Site Opportunity

In accordance with Arizona Governor's Executive Order 2020-51, beginning on August 17, 2020, Mohave Accelerated Schools will provide areas on each campus for students who do not have technology or adult supervision available in their home to support distance learning. This opportunity will be provided on school days in accordance with the school calendar.

Hours of availability are 8:00 am through 3:00 pm. Lunch will be available for purchase, in accordance with our lunch program procedures; including those eligible for free or reduced meals.

Students are required to complete the same schoolwork as their peers who are distance learning off campus.

This policy is in effect until the distance learning period is finished.
