

EXTRACURRICULAR ACTIVITY FEE TAX CREDIT

The Arizona Tax Credit Program

The Arizona tax credit program (A.R.S. 43-1089.01) allows you to receive a tax credit of up to \$200 for single individuals (or head of household) or \$400 for married couples filing a joint return (\$200 if married filing separately) for your donation to your child or community's school. Taxpayers have until April 15 of the current year to make eligible contributions to be deducted on prior year taxes.

What is a Tax Credit?

A tax credit is a dollar-for-dollar reduction in the actual tax owed to the State of Arizona. It reduces your tax liability by the amount you donate, up to \$400 for married couples and \$200 for single or head of household. For example, if you donate \$400 to an eligible MALC or MAES school activity, you reduce your Arizona state tax bill by \$400 or your tax refund will be increased by \$400. If you pay no Arizona income taxes, either through withholding taxes or tax due when you file your tax return, you are not eligible for the tax credit. The tax credit can also be taken as a donation on your federal tax return. For further information please consult your tax professional.
