Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

How the LEA will ensure **continuity of services**, including but not limited to services to address **students' academic needs and students' and staff social, emotional, mental health, and other needs**, which may include **student health and food services**

How the LEA will Ensure Continuity of Services?

Mohave Accelerated Schools will continue to remain in person but has the option to move to remote if necessary due to closure mandates.

Students' Needs:

Academic Needs	IXL online academic program purchased for three years to support student online learning Math, English, and Science. Packets provided for students without technology support from home.
Social, Emotional and Mental Health Needs	Continue use of "Positive Action" program for student social, emotional, mental health needs. Counselor/s available for students.
Other Needs (which may include student health and food services)	Careful watch for unexpected changes in student performance that may suggest further services may be required.

Staff Needs:

Social, Emotional and Mental Health Needs	Encouragement, support, and discussion of how individuals are feeling.
Other Needs	Providing the necessary PPE and clear policies.

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**

Date of Revision | **05/6/22**

Public Input

Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	This plan will be reviewed every 6 months or more based on CDC updates. It will be available on the MALC website and will seek parent/community input and support during open meetings.
